* This document is aimed primarily for air transport operators, describing operating hours during which airport infrastructure, air navigation and air traffic control are available. The hours in this document are based on the published flight schedules. If there are new or additional requests from airlines, the operating times will be adjusted accordingly to accommodate those flights. In any case, outside of these operating hours, airports will be open for emergency flights. Airport facilities such as the passenger terminal building will be open for longer periods than the hours described herein.
